「Let's Make Thread Button」 Report

Thread Button originated from Europe. We wrapped race yarn around the Aluminum ring to make it. I had thought it might be a simple work, but it needed much more concentration than I had thought. When we added new color yarns and the button shapes appeared little by little, the applicants were pleased and cheered "Wow! It's beautiful!" "Nice!"

Held on Apr. 26th

Useful Information[㊟] Employment Insurance

If you enroll in the Employment Insurance, when you lose your job or quit, you may get special money (called "unemployment benefits") from the government for a period. And if you are studying computers, elderly care, and other skills, you may accept the training / have the lessons without any fee.

The rule is that if you continue to work in one company over 20 hours a week for over 31 days, you may enroll the Employment Insurance.

The insurance fee will be deducted from your salary.
