Jul.20th Lounge Exchange Gathering 「BBQ Party」 Report

This year, the "BBQ Party" was held again in the Nojima Park.

25 foreign residents and 22 Japanese people, all together 47 Lounge members gathered!

「It's delicious!」 The conversation was mixed with different languages, people had a nice chat. People gathered and cheered for the children to split the watermelons. "Not there!" "Here! Here!" Both children and adults became enthusiastic with serious faces. Then the 6-kilogram watermelon appeared. "I'm full, I can't eat any more." People here and there said. But when the delicious fried noodles were served on the table, people start eating again. Two happy hours flew!

We had a wonderful exchange time this year too.

Jul. 8th Good for your health 「Korean Home Cooking」 Report

There were 3 dishes: ①Dakbokeumtang: Spicy braised chicken with lots of vegetables. ②Oimuchim: simply made but delicious cucumber kimchi ③Japchae: Korean stir-fried glass noodles with beef and vegetables. Though we only used the normal seasoning at home, we got special complex taste. We were surprised at the plenty use of the chili powder. We wondered why the dish looked red but not so spicy.

Jun. 1st 「Let's Enjoy Matcha!」 Report

After practicing the way to eat the Japanese sweets and drink Japanese tea, we drank the tea made by the teacher, following the tea ceremony etiquette. Then participants made matcha by themselves. "I want to try Nodate with my friends." "I want to enjoy matcha at home." "The tea ceremony etiquette is great!" *Nodate: Tea ceremony held outside in nature for people to enjoy.

【New Staff Introduction】

Ms. Nishiura

I participate the Konan Lounge activities as a local resident. I often went abroad to study and travel when I was young, so I'm always interested in this kind of activities. I'm happy to be able to work here. Last year, while studying abroad, my child was treated warmly and kindly by the local people there. I'm thankful for that, and I want to help the foreign residents here in Japan too.

Ms. Okiyama

I was born in Nagano Prefecture, and I like singing the song "Shinano no Kuni" at Karaoke. I like Chopin's Ballade, "Muthu(movie)", "Anpanman", drinking party, cats, baseball, pottery, aquarium, coffee, Enoden (Enoshima Electric Railway) and etc. I like the view from the Lounge window which is very nice, and if you're lucky you may see Mt. Fuji. I'll try my best to do work that everyone can trust!

Please come to Konan Lounge to apply for the lectures and events.
