【Thanks】 World Villages

The World Villages were held at Konan Hureai Park on Nov. 1st.
It was a nice and hot day. Many people came and almost all the booths
were sold out in the early hours.
Konan Lounge sold Pop corn and there was a long line for it.
More than 150 children took part in the Quiz Rally. Thank you all.

【Report】 Welcome to Bogo Cafe on Nov. 5th

At this Bogo Cafe, we made Santas, reindeers with folding paper.
First we made 10 lovely little Sandas and decorated them on a cardboard.
Then, we made reindeers. "How to fold?" Oh, wonder of wonders!
We used two pieces of folding paper to finish.
You should fold carefully and neatly at the very beginning,
otherwise gradually it became misaligned
and you would have difficulty folding well.
The participants folded enthusiastically and carefully.
Some gave us their feedback like "I enjoyed it." "It was a good brain
training." It reminded us our childhood and we really had a good time.

【Report】 "Let's make Christmas Decoration!" was held on Dec. 3rd.

When we entered the room, on the tables, there were green bases, red and golden ribbons, and many
cute glittery items. Exciting! We used those high quality materials and made wonderful and
gorgeous decoration. We were all satisfied.

<Feedback> ★I had thought to give it as a present to my friends, but it was so nice
that I didn't want to give it to any other people.

★It was a really nice decoration. I'd like to decorate it on the door from today.

★Thank you for preparing the materials in advance, so we can finish it in a short time.
One of the participants brought some snacks, so we had a nice tea time at the end.

Please come to Konan Lounge to apply for the lectures and events. E-mail Address
